2019

Thank you so much for your interest in The Waterwheel. We are beyond honored to have the opportunity to host your wedding. The Waterwheel is a private estate and vineyard located on 18 acres in the heart of the Hudson valley. Located just over an hour from the George Washington Bridge, we pride ourselves into being a unique and exclusive venue. We believe deeply in what we have to offer, and therefore, when you book our venue, you have the whole place to yourself. No other wedding or event will be taking place.

Our serene property makes for a high-end elegant venue with a touch of rustic and rich history. The rolling vineyard, the trickle of the stream as you say, 'I do', the horses at Sugar Maple Equestrian Horse Farm galloping at sunset during cocktail hour in the distance, there is nothing here that isn't breathtaking. Whether you are looking for an intimate and small wedding, or grandeur and spectacular, The Waterwheel falls nothing short of being able to host the wedding of your dreams.

Attached is your bridal brochure. Please remember when reviewing our offerings that we are more than happy to curate your wedding package to you and your desires.
